

Loaned Executive Program

Do you have an employee you would like to see grow within your organization?

United Way of Ulster County has a great opportunity for your employees to grow professionally and apply those skills to support the community!

Our Loaned Executive (LE) Program is a professional learning program for your organization's most talented and promising future leaders. Through this program, we aim to equip your associate with essential skills that benefit your company and contribute to the betterment of our community. The training will focus on several areas including Leadership, Project Management, Sales, Communication Skills, Networking, Team Building, Inclusion, and Community Needs.

What is an LE?

United Way Loaned Executives (LE's) are the connection between our agency and local businesses during the Community Impact Fund campaign season. They:

- * Teach employees and employers about United Way programs and services
- * Set United Way campaign goals
- * Plan United Way campaign strategy
- * Coordinate United Way presentations
- * Distribute United Way materials

United Way staff will work with you to create a volunteer experience which complements your business needs.

WEEKLY PLAN						
MON	TUE	WED	THU	FRI	SAT	SUN

2 hours/week

The time commitment is less than 2 hours per week between August and November.

- * 4 hours of training (over 2 days)
- * 1 hour bi-weekly meetings
- * 1-2 hours per account (average of 4 accounts per LE)
